SUBJECT.

Changes in the charges of the Public Health Institute & Chemical Examiner

WD 0418—GPB—22,500—29-8-36

Serial No.

Letters from the Director of Health d. 7th & 8th June 1937, regarding changes in the charges of the P. H. Institute & Chemical Examiner.

R In Govt. notification no 1944 d. 10.2.37, certain transfers of Health officers were ordered - among them being the following:

		From	To
1)	Dr C. V. Natarajan	Supdt. P.H.I & Lecturer, Med. School	Health Offr Kepar Dt. & Lecturer in Hygiene, Med College
2)	Dr G. H. Dominick	Health Offr Bangalore Cy.	Supdt. P.H.I & Lecturer Med. School.

N In another notification no 1950 issued on the same date (10.2.37) it was notified that Mr Dominick would be also Chemical Examiner to Govt during the period of his employment as Supdt. P. H. I

21 These transfers were kept in abeyance for some months in view of the prevalence of Cholera in the Mysore Dt. As cholera has now subsided, the Director of Health appears to have taken action to give effect to the above transfers

NOTE.—Contn. Shee

WD 03594—GPB—30,000—13-7-35

His letter, however, do not give a clear idea of what exactly the arrangements he has effected are

3) From the correspondence he has sent on to Govt. it appears that On 3rd June 37, he asked the Bangalore City Municipal Comr to relieve Mr. Dominick of his duties & there and ask him to take over charge of the P.H.I. in pursuance of the Govt. notfn. d. 10.2.37. Dr. Dominick was accordingly relieved in the Municipality on the 5th evening and he in return relieved Dr. Natarajan the same day. In the meantime, the Director seems to have felt the need of retaining Dr. Natarajan ~~in his~~ (till the 18th) in the Institute for some days more ~~to~~ so that he could Complete certain medico-legal cases that he had in hand at the time, and the Director sent a revised instruction to the Municipal Comm^r to keep on Dr. Dominick for some time longer in the Municipality (Perhaps the Director was not aware that Dr. Dominick had already been relieved). In another letter d. 8.6.37 the Director has ~~made~~ issued further modified instructions asking Dr. Dominick to continue as Supdt. P.H.I. and directing Dr. Natarajan to work as Chemical Examiner, until he completes the medico-legal cases he has taken up this

Serial No.

last order is stated to be in accordance with "instructions received" by the Director on 8.6.37.

4) The arrangements referred to seem to require some special Govt. orders in view of the following :-

(i) In Govt. Notifn No. 1950 d. 10.2.37, Dr. Dominick becomes automatically Chemical Examiner so long as he is employed as Supdt. P. H. L. If the two offices are to be separately held by two officers ~~from Dr. L~~ a formal notifn modifying the foregoing one appears to be necessary - as otherwise legal difficulties may arise. ~~etc~~

(ii) Dr. C.V. Natarajan was relieved on 5th afternoon and on the 8th an instruction was issued that he should be Chemical Examiner The latter instruction has to be perhaps given retrospective effect from the 5th afternoon so that the charge may be continuous

(iii) In a post like Chemical Examiner, there may always be ~~few~~ medico-legal cases in partial stages of progress. From the 6th until Dr

NOTE.—Contn. Sheet.

WD 03594—GPB—30,000—13-7-35

Natarajan is actually relieved (on completion of old cases) what about the new cases that may come up for a certificate by the Chemical Examiner? The work will have to be so arranged that on some particular date there will be a nil pendancy of cases, unless Dr. Dominick can be associated from now with the type of cases. taking a long time to complete — so that he can formally take over such cases as his own on Dr Natarajans relief

(IV) there will be an extra officer in the P.H.D. for some time and this will have to be formally approved with financial concurrence

5) A draft notification is put up for approval or other orders.

As the exact date on which Dr N. can be relieved is not known definitely it is proposed to continue him as Chemical Examiner "until further orders".

Another notifn. appg. Dr. Dominick as chemical Examiner will have to issue - later.

Srkmd. CSA 14/6/37

6) May be appd

7) The Dir - will be asked & direct Dr C V Natarajan to hurry up the work & close as soon as possible. The difficulty could have been avoided if the Dir. had given some notice to Dr C V N.

General Secretary to the Government of
Mysore, B a n g a l o r e.

SIR,

I have the honour to enclose herewith a copy of the letter No.C.B.1392-17 dated 3rd June 1937 written to the Municipal Commissioner, Bangalore City for relieving Dr.Dominick so that the Government Order No.1944/C.B. 121-36-2 dated 10th February 1937 may be given effect to as the cholera situation in Mysore District has improved very much. The letter was issued on the 3rd and a letter from the Superintendent, Public Health Institute dated 4th was received in this office on the 5th intimating that he has a number of medico legal cases on hand and that it would be about the 18th when he would be able to complete the work. On the 5th evening Dr.Dominick was relieved by the Municipal Commissioner and he has relieved Dr.Natarajan in the Public Health Institute on the same day.

As it is found necessary that Bangalore City cannot be without a Health Officer and as some of the medico-legal cases taken up by Dr.Natarajan have to be completed by him, I have requested the Municipal Commissioner in this office letter No.1392-23 dated 7th June 1937, to allow Dr. Dominick to continue as Health Officer, until he is relieved by Dr.Srinivasa Peidpett. The Deputy Commissioner, Mysore District is requested to-day to relieve Dr.Peidpett so that he might relieve Dr.Dominick who in turn will relieve Dr.Natarajan. By the time Dr.Natarajan is relieved it

is expected that all the medico-legal cases taken for examination would have been completed.

I request that you may be so good as to obtain orders of Government approving the action taken by me in requesting the Municipal Commissioner to allow Dr.Dominick to look after the work of the Health Officer until he is relieved by Dr. Srinivasa Peidpett and Dr. Natarajan to continue as Superintendent, Public Health Institute until the medico-legal cases taken on hand are completed.

I have the honour to be,
